

BSS Training on “Introduction to Python”

Title of Event: BSS Training on “Introduction to Python”

Department : Computer Science Engineering

Date: 30/07/2018 to 08/09/2018

Venue: Computer Center Lab,
GHRIETN.

Skill Training Program on “Introduction to Python” was conducted for 7th Semester students of CSE Department, G H R I E T N from 30th July 2018 to 8th September 2018. Trainer for this skill program was Ms. Antara Bhattacharya, Head of CSE department of G.H.Raisonni Institute of Engineering and Technology, Nagpur. The students were divided into three batches wherein each batch consisted of 18 students and the sessions were conducted on Monday, Tuesday and Saturday, each session was of two hours. The session commenced from 30th July 2018 and ended on 8th September 2018 .During the training period topics like Lists, Tuples, sets, loops, file handling, classes, functions were covered. Hands-on was conducted during each session where programs were given to students as tasks on different topics of python. Students actively participated in the training session. After the training period was completed a test was conducted on 12th September 2018. Test comprised of objective type questions for 15 marks and then students were asked to execute a python program. Overall response of the students was good. The training was successfully conducted under the guidance of Dr.Mohan Awasthy, Principal GHRIETN.
