

“Industrial visit to Global Logic India Pvt. Ltd.”

Title of Event: Industrial Visit

Department : Computer Science Engineering

Date: 30/08/2018 **Time:** 1:00p.m

Venue : Global Logic India Pvt. Ltd., Nagpur.

An Industrial visit to Global Logic India Pvt. Ltd., Nagpur was organized on 30th August, 2018 for B.E in Computer Science and Engineering, Vth semester students to familiarize them about how and mainly on which technologies software company actually works. Global Logic is a 17 years old company which provides Digital Product Engineering Services and is headquartered in [San Jose, California](#).

The introductory session was given by Mr. Ashish Panpaliya, Sr. Project Manager at Global Logic. He gave a presentation about their company and brief introduction about their digital product engineering services i.e. how they actually works. Global Logic provides the services in the field of Hi-Tech, Communications and Media, Medical Technology, Automotive, Electronics and Industrial, Retail etc. He showed us the video on various integrated technologies on which their company works i.e. Design, Mobile, Embedded, Cloud, I.O.T, DevOps, Big Data and Analytics etc. The video was quite interesting which gives the idea to think about future trends. The video was also about how I.O.T helps the family to make their daily works easy.

The visit was successful conducted under the guidance of **Prof. A.S. Bhattacharya**, HOD CSE/IT Department and Honorable Principal **Dr. Mohan Awasthy**. The overall visit was coordinated by IIPC Coordinator Ms. Hemlata Dakhore, Ms. Priyanka Fulare, Ms. Preeti Thakre.
