Type of Event : Academics (Session on Peer Teaching)

Department: Electrical Engineering Department

Date & Venue of the event: on 28/07/18 at GHRIET for second year and third year student.

Guest of the Event : Ms. Mitali Bhovate and Mr. Shubham Tandekar, students of final year

Peer teaching is a suite of practices in which peers instruct each other in a purpose-driven, meaningful interaction. Ms. Mitali Bhovate and Mr. Shubham Tandekar students of final year were taught on the topic Source Transformation and Working principle of all Machines to Third sem and Fifth sem respectively. This exercise made the students realize more time for individualized learning. Direct interaction between students promotes active learning.
