

## Workshop on PHP

**Title of Event:** Workshop on PHP

**Department :** Computer Science Engineering

**Date:** 11/08/2018

**Venue:** Research Lab-2, GHRIETN.

Department of Computer Science and Engineering, GHRIET, Nagpur organized an workshop on Php for the students of fifth semester, CSE. It was conducted by Miss. Pooja Arora (Director) from Revat Networkz, Nagpur who have 7 years of experience in IT field. This workshop took place on 11 August, 2018 at Research Lab-II, GHRIET. Before starting the workshop, Miss. Pooja Arora was welcomed by Prof. A. S. Bhattacharya, HoD of Computer Science and Engineering Department. The workshop was attended by 45 students and two faculties. The main objective of the workshop is to let the students know practically about how the web pages are created dynamically by using Php, how the database is created and connected to the particular server using Php.

Miss. Pooja Arora enlightens us the importance of Php in IT field and also explained how it supports various DBMS like oracle, MySql etc. for achieving high level data processing.

The workshop was successful conducted under the guidance of Prof. A.S. Bhattacharya, HOD CSE/IT Department and Honorable Principal **Dr. Mohan Awasthy**. The overall workshop was coordinated by Mr. Ravindra Kale, Ms. Preeti Thakre.
