Guest Lecture Importance of soft skill

A guest lecture was organized in first year department on 6-8-2018 in the Induction Programme of First Year. In this programme Guest Speaker Mr. Tushar Mulay from Global Education urged students to work hard for next 4 years as they have sufficient time to prepare themselves to be industry ready. The need for communication skill in today's scenario was explained by him. The session was interactive and very much useful and motivating for students. Total 59 students of first semester participated in this lecture.
